- Added to database BuzzCard authorized

MEMBER'S CODE OF ETHICS

In the interest of sportsmanship, fair play, and a desire to keep a high level of integrity, the Atlanta Rainbow Trout have created a Member's Code of Ethics. Please review and then sign below to acknowledge your agreement to the stated objectives.

"As an athlete, I will aspire to participate in my sport to the best of my ability and swim/play by the rules established by the national governing body for my sport; United States Masters Swimming, Inc., USA Water Polo, Inc, USA Diving, Inc. or USA Triathlon, Inc. I will use positive verbal and physical behavior, controlling temper and aggression; tell the truth about another person's involvement in or knowledge of something that violates the rules; treat all those involved in the competition with dignity and respect; treat others, as I would like to be treated; work hard and honestly to improve performance and participation; and maintain a positive image of myself by competing for enjoyment. I will remember that I am a guest at team events and practice venues, and will use good judgment to refrain from behavior that might be viewed as offensive or inappropriate by our host. I agree to remember that this is only a sport; it is for fun and recreation."

Liability Release and Waiver Statement

By submitting this form, I acknowledge that I am aware that engaging in any type of sport (swimming, water polo, triathlon, diving) or other aquatic activities inevitably involves the potential for physical injury. I further certify that I am in good physical health and without any physical limitations that would impede my participation in athletic activities. I assume all such risk and agree to hold the following parties and their employees and agents harmless for any physical injury resulting from or arising out of my participation in any swimming, water polo, diving and triathlon activities: The Atlanta Rainbow Trout, Georgia Institute of Technology, USA Water Polo, US Masters Swimming, USA Diving and USA Triathlon.

I also acknowledge that I have a current membership or application in process with the national governing organization for each sport I participate in with the Atlanta Rainbow Trout; United States Water Polo, Inc (USWP), United States Masters Swimming, USA Diving and/or USA Triathlon, and that I will provide a copy of said affiliation in order to participate in team practices and competitions. Without proof of affiliation, I will not be allowed to participate in team practices and competitions.

I acknowledge that it is a privilege to be a member of the Atlanta Rainbow Trout, and my continued membership with the team is conditional upon my compliance with the above stated Code of Ethics, team bylaws and timely payment of team dues. I further acknowledge and agree that my membership can be withdrawn at any time at the discretion of the team's elected Board of Directors for failure to meet any of the above stated conditions. I understand that although the recreation, fitness and social aspects of the team are deeply valued by it's members, that the team's charter and objective is to develop athletes to their fullest potential in competitive sport. I understand that in competitive team situations, it is the obligation of the coach and/or Director to put forth the strongest team possible.
